

General Information of Mid-Congress Excursion

Dear Participants,

Greetings from IAH 2018 Congress!

This e-mail is to inform you regarding information about the Mid-Congress Excursion. The excursion is guaranteed for those who completed the registration process including payment by **3 September 2018**. On-spot registration is available, make your way to the tour desk on the first floor of DCC. The registration is subjected to availability.

1. Trip 4. Underground research tunnel and UNESCO World Heritage and Trip 7. Gyeongju LILW disposal facility and UNESCO World Heritage are confirmed only those who had submitted their copy of passport. To remind you, bring your ID or passport with you on the day of the excursion without identification, admission is not allowed.
2. For those who registered for the excursion, you can find your trip ticket in your name badge.
3. Casual attire is recommended as most of the trips require a lot of walking and bring your umbrella in case of rain. Especially the Trip 8. Maisan geologic park and wine cave has a steep hiking course.
4. Each trip coach is furnished with household medicines. Make sure bring your prescription.
5. Refreshments and bottles of water will be provided and different type of lunch will be provided for each course.

*** Notice on the dietary**

Be aware of the tour circumstances that the majority of the restaurant consists of Korean sitting style, Ondol. It is not like a table and chair style. The meals will be provided as Korean local food or lunch box with a sandwich & some cookies. Vegetarian meals can be provided only for those who noticed on the registration form. Please understand that the halal or any religious foods could not be provided.

6. Having personal travel insurance is highly recommended.
7. Please check the schedule as below and be at the meeting point 15 minutes before departure time. We are not responsible for the late show.
8. **Meeting point: First Floor of Meeting Hall Lobby**
